CNM offers the Bridge to Success Scholarship to first time freshman who are in the process of qualifying for the Legislative Lottery Scholarship. The Bridge to Success Scholarship is offered in fall and covers actual tuition charges and registration fee for the Lottery Qualifying Term. The Qualifying Term is the first term of attendance after earning a New Mexico diploma, New Mexico GED, or state approved credential.

Bridge to Success Scholarship* recipients must attend 12+ credit hours, be listed by CNM as a New Mexico resident and are in the process of qualifying for the New Mexico Legislative Lottery Scholarship and meet the following criteria by March 31, 2021:

- Apply to CNM - Your CNM admission record must include the date you will earn a New Mexico high school diploma, New Mexico GED, or state approved credential.

Qualifying for the Legislative Lottery Scholarship in spring: Students must complete at least 12 credits and earn a minimum GPA of 2.5 during the qualifying term to establish Legislative Lottery eligibility. To earn a GPA you must take at least one class with a traditional letter grade during your Qualifying Term.

1. Your GPA is the average of all classes with traditional letter grades, courses numbered 1000 or Higher.
2. Courses numbered (below 0970), and ESL courses do not meet requirements for the Bridge or Lottery and are not counted in total credit hours. Check '[Qualifying for the Lottery](#)' for more information.

For detailed Lottery eligibility, check [New Mexico Legislative Lottery Scholarship](#).

Students with disabilities: Students with qualified disabilities who are registered with CNM Disability Resource Center must be approved to take and complete less than twelve credits to qualify for the Legislative Lottery Scholarship. Qualified students must meet with a DRC Counselor, sign, and submit a full-time waiver *prior* to the start of the fall term. For continued Legislative Lottery eligibility beyond the qualifying term, the DRC counselor must sign a waiver each term. All other Bridge to Success and Legislative Lottery Scholarship requirements remain.

*CNM will honor any Bridge Scholarship offered at any other 2 or 4-year institution. Proof of offer required by March 31, 2021
